# EXPANDING!!

With our high demand for our one unique doggie daycare and boarding, ARF is expanding to keep your pet off our waiting list and into our facility currently we are transforming A once equine kid's camp area in our existing facility into a new climate controlled indoor doggie daycare space and expanding our outdoor space to offer an additional enrichment outdoor play yard.

### 5 REASONS TO CHOOSE APPLE RIDGE FARMS BOARDING AND DAYCARE

1. Apple Ridge Farm is an **open-play** daycare and Boarding facility where dogs can enjoy climate-controlled playrooms indoors and expansive outdoor play areas with shade, enrichment toys and play structures.
2. All dogs must pass a Meet & Greet VIP Doggie Daycare, which ensures all dogs are **vaccinated** and comfortable with people and other dogs in our **safe and open play environment**.
3. Playrooms are supervised by trained canine farm attendants, who complete a rigorous training program that was designed by canine behaviorists, on **dog body language and behavior**. Our team knows how to recognize even the most subtle dog body language, and handle dogs of all sizes, breeds and personalities.
4. Apple Ridge Farm has all the **amenities of home**: comfy couches, TV, all **dog-safe** cleaning products, sealed concrete flooring with in-floor radiant heat, has **climate-controlled** and an HVAC system to keep furry guests at the perfect temperature and our facility fresh and clean.
